The Talking Heads

- In 1992 Rudy Giuliani claims 1989 election for NYC mayor was “stolen” by black people:

Replying to @AdamSerwer

Giuliani, in 1992 regarding his loss to Dinkins in 1989:
"They stole that election from me. They stole votes in the black parts of Brooklyn, and in Washington Heights. Illegal Dominican immigrants were allowed to vote in Washington Heights."

Some Protests Don't Get Shut Down

- [Giuliani Leads Cops Protest Against Dinkins](#)
- “On Wednesday, Sept. 16, after months of growing tension between Mayor David N. Dinkins and New York City's police, more than 10,000 off-duty officers and their supporters gathered outside City Hall to protest the Dinkins administration's handling of a list of police issues.”

This DOESN'T WORK

- **Comey saw Rudy's SDNY as 'a dream job.'**
- "Giuliani hired Comey in 1987 to work as an assistant US attorney in the Southern District of New York. At the time, Giuliani was the US attorney. They worked together from Comey's hiring until Giuliani departed the office in 1989."
- In 2013 Barack Obama appoints Comey FBI director

This DOES WORK... 1/2

- (From 2019) Dianne Feinstein blocks Kamala Harris Presidential Bid
- “Kamala Harris has always been known for her ambition....That's not sitting well with California's lizardy old-money senior Senator, Dianne Feinstein, who knows that establishment well.”

This DOES WORK 2/2

- (Nov 24, 2020) Dianne Feinstein Steps Down
- “Dianne Feinstein to step down as top Democrat on Senate judiciary panel...the California lawmaker, who has held position for four years, has faced growing opposition from progressives”
